## SMALL BUSINESS QUICK QUOTE

Let us help you find solutions for your small business clients.

As a managing general agency and wholesale insurance broker, agents often think of us for hard-to-place, complex accounts, but did you know we can also do quick quotes for smaller, standard businesses?

We have access to great quick quote options from our national carriers for your small business clients.

### Quick Quote Requirements

- No prior bite losses
- 3 years prior coverage preferred (not required)
- Single location
- No training or selling of guard, security or service dogs
- If mobile operations, vehicle information with driver information must be provided
- No exotic animals or livestock

### Is This Risk Eligible for Quick Quote?

- Are there prior losses?
- Is there more than one location?
- Are there any guard/attack dogs?
- Is this an animal rescue or shelter?
- Are licenses or certifications NOT in good standing where required?

*If any of these answers are yes, please call for quote options and do not use the quick quote form.*
