

Environmental - Brokerage

Our environmental carriers have product offerings to better meet the needs of your clients with environmental exposures.

Our Offerings Include

- Contractor's pollution liability
- First and third-party premises pollution (site pollution)
- Transportation pollution
- Above ground storage tanks and/or underground storage tank pollution
- Products pollution

Additional Coverages Include

Deductible Buy-Back Coverage

For clients who insured their UST pollution exposures with an approved state fund having a larger deductible

Monoline Excess Coverage over Environmental Companies

Multiple Lines of Coverage

For risks in businesses such as remediation, landfill operators, fertilizer dealers, or chemical risks, manufacturers and distributors, our carriers may also be able to provide:

- Auto
- Excess Liability
- General Liability
- Non-Owned Disposal Sites
- Mold
- Practice and Project policies available
- Professional Liability
- Workers' Compensation in some cases

Benefits of a One-Stop Approach

- Reduced potential coverage gaps
- Experienced environmental claims experts to handle claims involving multiple lines of coverage
- Multiple carriers that write coverage throughout the world
- Experienced brokers
- Quick turnaround
