She is also a long-time viewer of the soap opera *Days of Our Lives*. Lisa's favorite holiday is Christmas because of all of the twinkling lights and decorations.

Chris is looking forward to becoming an uncle this year. Originally from Bruceville, IN, he currently lives in Indianapolis. Additionally, he has served on the Big I Indiana Farm Conference committee for the past four years.
- **Favorite Accounts to Write:** Equestrian accounts as they are a niche class within the farm sector and tend to be beautiful, unique properties.
- **Fun Facts:** Drawn to peaceful, coastal destinations, Chris dreams of visiting an overwater bungalow in Bora Bora. With a sports-oriented family, he enjoys staying active, watching sports and spending time with family and friends. One of his most memorable life experiences includes celebrating his 21st birthday in Australia.
