

INSURING COMMERCIAL AUTO

Managing commercial auto exposures and costs presents an ongoing challenge to businesses across various industries, whether they operate a few vehicles or an entire fleet. Situations such as crowded roads, distracted driving, a shortage of skilled commercial drivers, and rising repair costs are all potential risks.

Commercial auto insurance helps mitigate these risks and protects your insureds and their employees who are on the road while using company-owned vehicles for business. We can help you find the right solution for your commercial auto insureds. Our market access allows us to offer you a variety of coverages for a wide range of vehicles, including:

**Specialty Auto:**

- Book and blood mobiles
- Concession vehicles
- Short-term rentals to the public
- Short-term rentals for garage operations

**Public Auto:**

- Church vehicles
- Limousines (stretched and non-stretched)
- Medical livery
- Non-emergency medical transport
- Party buses
- Taxicabs

**Business Auto:**

- Contractors
- Driver training autos
- Lawn and tree service
- Security patrols
- Waste disposal

Our transportation team has strong relationships with our commercial auto markets, which allows us to find the right coverage at a competitive rate for specialty, public and business auto risks. Contact one of our commercial auto team members, and we'll help you find the right solution.
